the way of the treacherous is their ruin.<sup>1</sup> The prudent acts with knowledge, but the fool flaunts his folly. The messenger falls into trouble, but the faithful envoy brings healing. Disgrace and reproach come to him who ignores instruction, but he who heeds reproof is honored. The desire of good men toward the fear of God... brings spiritual blessing to the soul. Turn away from evil is an abomination to fools. He who walks with the wise becomes wise, but the companion of fools will suffer harm.

but the righteous are rewarded with good.

A good man leaves an inheritance to his children's children, but the sinner's wealth is laid up for the righteous.

The fallow ground of the poor would yield much food, but it is swept away through injustice.

Whoever spares the rod hates his son, but he who loves him is diligent to discipline him.

The righteous has enough to satisfy his appetite, but the belly of the wicked suffers want.

The wisest of women builds her house, but the folly of her own hands tears it down.

Whoever walks in uprightness fears the LORD, but he who is 'devious in his ways despises him.

By the mouth of a fool comes a rod for his back, but the lips of the wise will preserve them.

Where there are no oxen, the manger is clean, but abundant crops come by the strength of the ox.

A faithful witness does not lie, but a false witness breathes out lies.

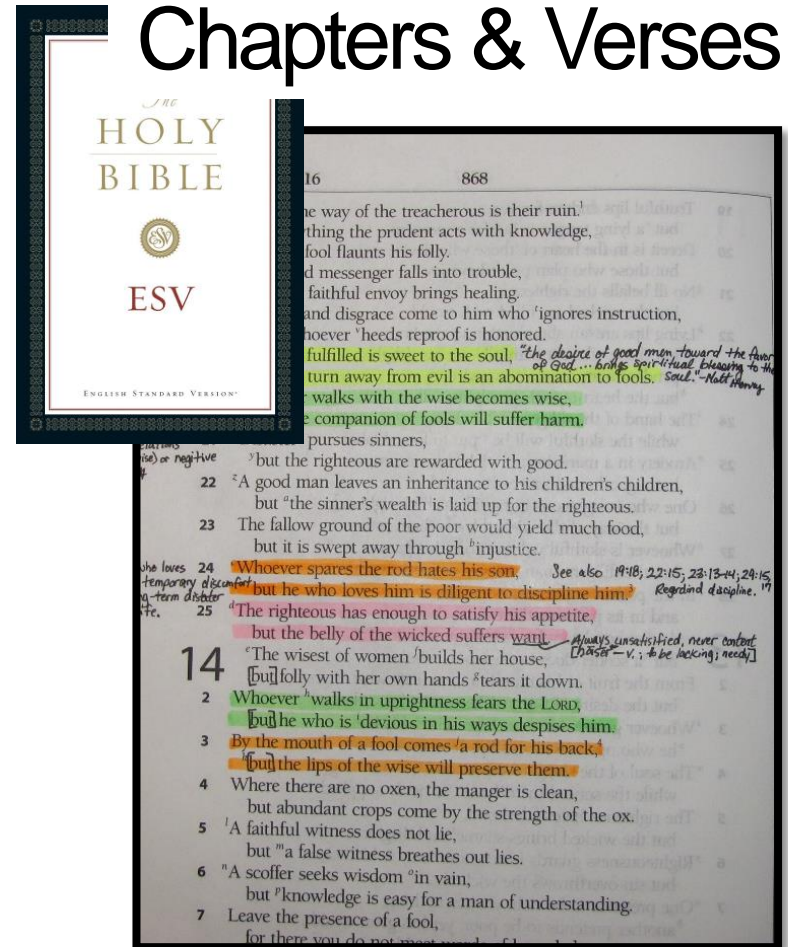

A scoffer seeks wisdom in vain, but knowledge is easy for a man of understanding.

Leave the presence of a fool, for there you do not need to say a word.
