The image features a conceptual design where a glowing blue light source, resembling a sun or a divine presence, is positioned behind an open book. The light rays fan out across the scene, creating a dramatic and spiritual atmosphere. The open book, with its white pages and dark cover, sits on a dark, reflective surface. Overlaid on the upper portion of the image is a semi-transparent CV template. The template consists of a grid of hexagonal cells. A central hexagon contains the letters 'CV' in a large, white, sans-serif font. Surrounding this central element are several smaller hexagons, each containing a label for a section of a curriculum vitae: 'INTERESTS' (top left), 'CURRICULUM VITAE' (top right), 'EDUCATION' (middle right), 'EXPERIENCE' (bottom right), 'REFERENCES' (bottom left), and 'CONTACT' (middle left). The overall color palette is dominated by deep blues, greys, and the warm white of the book's pages.

## Matthew 13:41-42

The Son of Man will send his angels, and they will gather out of his kingdom all causes of sin and all law-breakers, and throw them into the fiery furnace. In that place there will be weeping and gnashing of teeth

How does God's all-loving trait merge with his hatred of evil trait?

Nature reflects aspects of nature's creator

A serene landscape featuring a calm body of water that reflects the surrounding environment. In the background, a line of trees stands on a grassy bank, with a red building partially visible behind them. The water's surface is slightly rippled, creating a shimmering effect in the reflections. The overall scene is peaceful and natural.
