### Why does God allow suffering?

The New Testament does not look on suffering in quite the same way as do most modern people. To us, suffering is an evil in itself, something to be avoided at all costs... Faith is

kind of spiritual cotton wool, insulated
from all

For all you know it may be contained the lather

Are you weary in well-doing walking on the road to New Jerusalem?

Are you hoping and praying looking any minute for the Lord to come?

And do you see a lot of pleasant looking places, where you might lay down and take a rest?

Well if you do, take a look at all the faces there, their sadness will tell you that its best.

Keep on walking – You don't know how far you've come. Keep on walking

For all you know it may be done and the Father

May be standing up right now to give the call, to end it all – So keep on walking!

Your gonna have some trouble learning that its faith that'll keep you moving on

Then the Lord will start you off from sitting, but sometimes you have to take a stand

Standings not another word for quitting; its just taking a tighter hold on his hand.

Keep on walking – You don't know how far you've come. Keep on walking

For all you know it may be done and the Father

May be standing up right now to give the call, to end it all – So keep on walking!
