APOCALYPTIC:

When speaking of antiquity, it can refer to a type of writing or to a religion. It doesn't always mean the end of time!

Daniel 7 "I saw in my vision by night, and behold, the four winds of heaven were stirring up the great sea.

And four great beasts came up out of the sea, different from one another.

The first was like a lion and had eagles' wings. Then as I looked its wings were plucked off, and it was lifted up from the ground and made to stand on two feet like a man, and the mind of a man was given to it.

After this I looked, and behold, another, like a leopard, with four wings of a bird on its back. And the beast had four heads, and dominion was given to it. After this I saw in the night visions, and behold, a fourth beast, terrifying and dreadful and exceedingly strong. It had great iron teeth; it devoured and broke in pieces and stamped what was left with its feet. It was different from all the beasts that were before it, and it had ten horns."

Daniel Revelation Some of: Zechariah

And I lifted my eyes and saw, and behold, four horns! And I said to the angel who talked with me, "What are these?" And he said to me, "These are the horns that have scattered Judah, Israel, and Jerusalem." Then the LORD showed me four craftsmen. And I said, "What are these coming to do?" He said, "These are the horns that scattered Judah, so that no one raised his head. And these have come to terrify them, to cast down the horns of the nations who lifted up their horns against the land of Judah to scatter it." (Zech. 1:18-21)
