John ministers in Ephesus

“I remember the events of that time more clearly than those of recent years. For what boys learn, growing with their mind, becomes joined with it; so that I am able to describe the very place in which the blessed Polycarp sat as he discoursed, and his goings out and his comings in, and the manner of his life, and his physical appearance, and his discourses to the people, and the accounts which he gave of his intercourse with John and with the others who had seen the Lord. And as he remembered their words, and what he heard from them concerning the Lord, and concerning his miracles and his teaching, having received them from eyewitnesses of the ‘Word of life,’ [a Johannine term] Polycarp related all things in harmony with the Scriptures”

The background of the image consists of architectural blueprints. A magnifying glass is positioned over a section of the plans, and two yellow pencils are lying diagonally across the lower right portion. The blueprints include various drawings: a house elevation on the left, a detailed floor plan in the center, and another elevation on the right. The floor plan is labeled with rooms such as 'Porch', 'Kitchen', 'Breakfast', and 'Family Room'. Technical specifications and project details are written in small text throughout the drawings.
